Meditation.
Conversation.
Prayer.

Inspired by the wisdom and tradition of Christian contemplation, OPEN SPACE begins with 30 minutes of quiet time for personal meditation and prayer. The space is sometimes silent, at other times framed by music or sound. Materials to help focus meditation are also made available. From 5:30pm, after this first half hour, we gather in and a Bible reading and brief reflection are offered, opening up to informal

conversation together about the day's themes and insights. Occasionally, Holy Communion also takes place. The service concludes at around 6pm with a prayer of blessing.

OPEN SPACE is an inclusive space, and all are welcome to join, whether from 5pm, for the full half hour of meditation, or at any point between then and the 5:30pm conversational time.*

For more information, speak to Revd Jennie Savage, Rebekah Pryor, Gillian Tong or Julie Licudine.

- * Please note that ours is a COVID-safe environment. This means:
 - * In Victoria, it is currently mandatory to carry a mask with you at all times and to wear it when indoors.
 - * Masks must be worn in church and for congregational singing.
 - * We also recommend that you leave the space of a 'seat' between you and anyone who is not in your household.
 - * You will need to register at the door via scanning our QR code or other means, so please arrive a little earlier than you otherwise would.
